

2025 Garden Club Awards

The New London Garden Club is pleased to announce the winners of the 2025 Garden Club Awards. Although there are many wonderful gardens in our community, the only business and residential gardens that can be considered for this award are those visible from New London's Main Street from the intersection of Route 11 and continuing down Newport Road to the Post Office. Plant material, condition of plants, and use of space were some of the considerations. A complete list of criteria is on our website.

A total of 15 garden awards were given this year. Five were awarded to private residents and 10 were for businesses. The resident award-winning gardens include 724 Main Street, 675 Main Street, 651 Main Street, 623 Main Street, and 139 Main Street.

The business award-winning gardens include Artisan's, Oliver Wight Building, ZeroCelsius, Everett House Professional Offices, New London Barn Playhouse, Barton Insurance, Spring Ledge Farm, Snow Construction, Scytheville Row, and Ledyard Bank.

The Club would like to recognize all gardeners throughout the New London community who devote their time, energy, and talents towards creating garden spaces filled with the wonders and beauty of flowers and plants.

The purpose of the New London Garden Club is to stimulate the knowledge and love of gardening, to aid in the protection and perpetuation of desirable native plants and birds, to further civic beautification and improvement and to cooperate with others interested in those objectives.
