Awards in the first three divisions will be made by judges according to the standard system of scoring established by National Garden Clubs, Inc. Ribbons will be displayed next to the award-winning entries.

There are five classes in the **Design Division** demonstrating different styles:

- Traditional Design (in a vase or container)
- Modern / Creative Design
- Abstract Design
- Functional Table Design
- Petite Creative Design (8” maximum size)

There are two categories in the **Horticulture Division** with many entries in each:

- Garden Grown
- Container Grown

Beautiful annuals, perennials, dahlias, and other plants will be on display, along with plants in containers featuring flowers, plants grown for foliage, succulents, and cacti.

The **Educational Division** will have exhibits linked to the weather theme.

The **Invitational Division** features non-competitive exhibits encouraging imaginative designs.

We'll hope to see you in August!
